BYLAWS

PREAMBLE

WE BELIEVE:

That God's purpose concerning man is (1) to seek and to save that which is lost, (2) to be worshiped by man, and (3) to build a body of believers in the image of His Son.

That these believers, saved and called out of the world, constitute the body or church of Jesus Christ, built and established upon the foundation of the apostles and prophets, Jesus Christ Himself being the chief cornerstone.

That the members of the body, the church (ecclesia) of Jesus Christ, are enjoined to assemble themselves for worship, fellowship, counsel, and instruction in the Word of God, the work of the ministry and for the exercise of those spiritual gifts and offices provided for New Testament church order.

That it is evident the early apostolic churches came together in fellowship as a representative body of saved, Spirit-filled believers, who ordained and sent out evangelists and missionaries and under the supervision of the Holy Spirit set pastors and teachers over the church.

That the priority reasons-for-being of the Assemblies of God are to be an agency of God for evangelizing the world, to be a corporate body in which man may worship God, and to be a channel of God's purpose to build a body of saints being perfected in the image of His Son.

That the Assemblies of God exists expressly to give continuing emphasis to these reasons-for-being in the New Testament apostolic pattern by teaching and encouraging believers to be baptized in the Holy Spirit, which enables them to evangelize in the power of the Spirit with accompanying supernatural signs, adding a necessary dimension to worshipful relationship with God, and enabling them to respond to the full working of the Holy Spirit in expression to fruits and gifts and ministries as in New Testament times for the edifying of the body of Christ.

That we are a cooperative fellowship of Pentecostals, Spirit-baptized saints from local Pentecostal Assemblies of like precious faith throughout the United States and foreign lands to be known as the Southern California District Council of the Assemblies of God, whose purpose is neither to usurp authority over the various local assemblies; nor to deprive them of their scriptural methods and order for worship, unity, fellowship, work, and business for God; but, instead, to disapprove unscriptural methods, doctrines and conduct, endeavoring to keep the unity of the Spirit in the bond of peace, "till we all come in the unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fulness of Christ." (Ephesians 4:13)

That the General Council of the Assemblies of God has made provision for the care and development of local assemblies through the agency of District Councils.

Therefore, we gladly assume this delegated responsibility that has been committed to us, and hereby assemble ourselves in scriptural order for the purpose of promoting and

SCDC BYLAWS

husbanding the interests of the fellowship in the territory assigned to us, and agree to be governed by the following bylaws.

ARTICLE VI. TENETS OF FAITH

This Council shall stand for the Holy Scriptures as the all-sufficient rule of faith and practice and adopts the following Statement of Fundamental Truths approved by the General Council, to the end that we may all speak the same thing (reprinted from General Council Constitution):

STATEMENT OF FUNDAMENTAL TRUTHS

The Bible is our all-sufficient rule for faith and practice. This Statement of Fundamental Truths is intended simply as a basis of fellowship among us (i.e., that we all speak the same thing, I Cor. 1:10; Acts 2:42). The phraseology employed in this Statement is not inspired or contended for, but the truth set forth is held to be essential to a full-gospel ministry. No claim is made that it contains all Biblical truth, only that it covers our need as to these fundamental doctrines.

1. The Scriptures Inspired

The Scriptures, both the Old and New Testaments, are verbally inspired of God and are the revelation of God to man, the infallible, authoritative rule of faith and conduct (II Tim. 3:15-17; I Thess. 2:13; II Peter 1:21).

2. The One True God

The one true God has revealed Himself as the eternally self-existent "I AM," the Creator of heaven and earth and the Redeemer of mankind. He has further revealed himself as embodying the principles of relationship and association as Father, Son, and Holy Ghost (Deut. 6:4; Isaiah 43:10, 11; Matt. 28:19; Luke 3:22).

The Adorable Godhead

(a) Terms Defined

The terms "Trinity" and "persons," as related to the Godhead, while not found in the Scriptures, are words in harmony with Scripture, whereby we may convey to others our immediate understanding of the doctrine of Christ respecting the Being of God, as distinguished from "gods many and lords many." We therefore may speak with propriety of the Lord our God, who is One Lord, as a trinity or as one Being of three persons, and still be absolutely scriptural (examples, Matt. 28:19; 2 Cor. 13:14; John 14:16, 17).

(b) Distinction and Relationship in the Godhead

Christ taught a distinction of Persons in the Godhead which He expressed in specific terms of relationship, as Father, Son, and Holy Ghost, but that this

SCDC BYLAWS

distinction and relationship, as to its mode is inscrutable and incomprehensible, because unexplained (Luke 1:35; 1 Cor. 1:24; Matt. 11:25-27; 2 Cor. 13:14, 1 John 1:3, 4).

(c) Unity of the One Being of Father, Son, and Holy Ghost

Accordingly, therefore, there is **that** in the Father which constitutes Him **the Father** and not the Son; there is **that** in the Son which constitutes Him **the Son** and not the Father; there is **that** in the Holy Ghost which constitutes Him **the Holy Ghost** and not either the Father or the Son. Wherefore the Father is the Begetter, the Son is the Begotten, and the Holy Ghost is the One proceeding from the Father and the Son. Therefore, because these three persons in the Godhead are in a state of unity, there is but one Lord God Almighty and His name one (John 1:18; 15:26; 17:11, 21; Zech. 14:9).

(d) Identity and Cooperation in the Godhead

The Father, the Son, and the Holy Ghost are never identical as to Person; nor confused as to relation; nor divided in respect to the Godhead; nor opposed as to cooperation. The Son is in the Father and the Father is in the Son as to relationship. The Son is with the Father and the Father is with the Son, as to fellowship. The Father is not from the Son, but the Son is from the Father, as to authority. The Holy Ghost is from the Father and the Son proceeding, as to nature, relationship, cooperation and authority. Hence neither Person in the Godhead either exists or works separately or independently of the others (John 5:17-30, 32, 37; John 8:17, 18).

(e) The Title, Lord Jesus Christ

The appellation, "Lord Jesus Christ," is a proper name. It is never applied in the New Testament either to the Father or to the Holy Ghost. It therefore belongs exclusively to the Son of God (Rom. 1:1-3, 7; 2 John 3).

(f) The Lord Jesus Christ, God with us

The Lord Jesus Christ, as to His divine and eternal nature, is the proper and only Begotten of the Father, but as to His human nature, He is the proper Son of Man. He is, therefore, acknowledged to be both God and man; who because He is God and man, is "Immanuel," God with us (Matt. 1:23, 1 John 4:2, 10, 14; Rev. 1:13, 17).

(g) Title, Son of God

Since the name "Immanuel" embraces both God and man in the one Person, our Lord Jesus Christ, it follows that the title, Son of God, describes His proper deity, and the title Son of Man, His proper humanity. Therefore, the title, Son of God, belongs to the order of eternity, and the title, Son of Man to the order of time (Matt. 1:21-23; 2 John 3; 1 John 3:8; Heb. 7:3; 1:1-13).

(h) Transgression of the Doctrine of Christ

Wherefore, it is a transgression of the Doctrine of Christ to say that Jesus Christ derived the title Son of God solely from the fact of the incarnation or because of His relation to the economy of redemption. Therefore, to deny that the Father is a real and eternal Father and that the Son is a real and eternal Son is a denial of the distinction and relationship in the Being of God; a denial of the Father and the Son; and a displacement of the truth that Jesus Christ is come in the flesh (2 John 9; John 1:1, 2, 14, 18, 29, 49; 1 John 2:22, 23; 4:1-5; Hebrews 12:2).

(i) Exaltation of Jesus Christ as Lord

SCDC BYLAWS

The Son of God, our Lord Jesus Christ, having by Himself purged our sins, sat down on the right hand of the Majesty on high, angels and principalities and powers having been made subject unto Him. And having been made both Lord and Christ, He sent the Holy Ghost that we, in the name of Jesus, might bow our knees and confess that Jesus Christ is Lord to the glory of God the Father until the end, when the Son shall become subject to the Father that God may be all in all (Heb. 1:3; 1 Peter 3:22; Acts 2:32-36; Rom 14:11; 1 Cor. 15:24-28).

(j) Equal Honor to the Father and to the Son

Wherefore, since the Father has delivered all judgment unto the Son, it is not only the express duty of all in heaven and on earth to bow the knee, but it is an unspeakable joy in the Holy Ghost to ascribe unto the Son all the attributes of Deity and to give Him all the honor and the glory contained in all the names and titles of the Godhead (except those which express relationship; see paragraphs b, c, and d), and thus honor the Son even as we honor the Father (John 5:22, 23; 1 Peter 1:8; Rev. 5:6-14; Phil. 2:8, 9; Rev. 7:9, 10; 4:8-11).

3. The Deity of the Lord Jesus Christ

The Lord Jesus Christ is the eternal Son of God. The Scriptures declare the following:

- (a) His virgin birth (Matthew 1:23; Luke 1:31, 35).
- (b) His sinless life (Hebrews 7:26; 1 Peter 2:22).
- (c) His miracles (Acts 2:22; 10:38).
- (d) His substitutionary work on the cross (1 Cor. 15:3; 2 Cor. 5:21).
- (e) His bodily resurrection from the dead (Matthew 28:6; Luke 24:39; 1 Cor. 15:4).
- (f) His exaltation to the right hand of God (Acts 1:9, 11; 2:33; Philippians 2:9-11; Hebrews 1:3).

4. The Fall of Man

Man was created good and upright, for God said, "Let us make man in our image, after our likeness." However, man by voluntary transgression fell and thereby incurred not only physical death but also spiritual death, which is separation from God (Genesis 1:26, 27; 2:17; 3:6; Romans 5:12-19).

5. The Salvation of Man

Man's only hope of redemption is through the shed blood of Jesus Christ the Son of God.

(a) Conditions to Salvation

Salvation is received through repentance toward God and faith toward the Lord Jesus Christ. By the washing of regeneration and renewing of the Holy Ghost, being justified by grace through faith, man becomes an heir of God according to the hope of eternal life (Luke 24:47; John 3:3; Romans 10:13-15; Ephesians 2:8; Titus 2:11; 3:5-7).

SCDC BYLAWS

(b) The Evidences of Salvation

The inward evidence of salvation is the direct witness of the Spirit (Romans 8:16). The outward evidence to all men is a life of righteousness and true holiness (Eph. 4:24; Titus 2:12).

6. The Ordinances of the Church

(a) Baptism in Water

The ordinance of baptism by immersion is commanded in the Scriptures. All who repent and believe on Christ as Saviour and Lord are to be baptized. Thus they declare to the world that they have died with Christ and that they also have been raised with Him to walk in newness of life (Matthew 28:19; Mark 16:16; Acts 10:47, 48; Romans 6:4).

(b) Holy Communion

The Lord's Supper, consisting of the elements--bread and the fruit of the vine--is the symbol expressing our sharing the divine nature of our Lord Jesus Christ (2 Peter 1:4), a memorial of His suffering and death (1 Cor. 11:26), a prophecy of His second coming (1 Cor. 11:26), and is enjoined on all believers "till He come!"

7. The Baptism in the Holy Ghost

All believers are entitled to and should ardently expect and earnestly seek the promise of the Father, the baptism in the Holy Ghost and fire, according to the command of our Lord Jesus Christ. This was the normal experience of all in the early Christian church. With it comes the enduement of power for life and service, the bestowment of the gifts and their uses in the work of the ministry (Luke 24:49; Acts 1:4, 8; 1 Cor. 12:1-31). This experience is distinct from and subsequent to the experience of the new birth (Acts 8:12-17; 10:44-46; 11:14-16; 15:7-9). With the baptism in the Holy Ghost come such experiences as an overflowing fullness of the Spirit (John 7:37-39; Acts 4:8); a deepened reverence for God (Acts 2:43; Heb. 12:28); an intensified consecration to God and dedication to His work (Acts 2:42); and a more active love for Christ, for His Word, and for the lost (Mark 16:20).

8. The Evidence of the Baptism in the Holy Ghost

The baptism of believers in the Holy Ghost is witnessed by the initial physical sign of speaking with other tongues as the Spirit of God gives them utterance (Acts 2:4). The speaking in tongues in this instance is the same in essence as the gift of tongues (1 Cor. 12:4-10, 28) but different in purpose and use.

9. Sanctification

Sanctification is an act of separation from that which is evil and of dedication unto God (Rom. 12:1, 2; 1 Thess. 5:23; Heb. 13:12). The Scriptures teach a life of "holiness without which no man shall see the Lord" (Heb. 12:14). By the power of the Holy Ghost we are able to obey the command: "Be ye holy, for I am holy" (1 Peter 1:15, 16).

Sanctification is realized in the believer by recognizing his identification with Christ in His death and resurrection, by faith reckoning daily upon the fact of that union, and by offering every faculty continually to the dominion of the Holy Spirit (Rom. 6:1-11, 13; 8:1, 2, 13; Gal. 2:20; Phil 2:12, 13; 1 Peter 1:5).

SCDC BYLAWS

10. The Church and Its Mission

The Church is the Body of Christ, the habitation of God through the Spirit, with divine appointments for the fulfillment of her great commission. Each believer, born of the Spirit, is an integral part of the General Assembly and Church of the Firstborn, which are written in heaven (Ephesians 1:22, 23; 2:22; Hebrews 12:23).

Since God's purpose concerning man is to seek and to save that which is lost, to be worshiped by man, and to build a body of believers in the image of His Son, the priority reasons-for-being of the Assemblies of God as part of the Church are:

- (a) To be an agency of God for evangelizing the world (Acts 1:8; Matthew 28:19, 20; Mark 16:15, 16).
- (b) To be a corporate body in which man may worship God (1 Corinthians 12:13).
- (c) To be a channel of God's purpose to build a body of saints being perfected in the image of His Son (Ephesians 4:11-16; 1 Corinthians 12:28; 14:12).

The Assemblies of God exists expressly to give continuing emphasis to these reasons-for-being in the New Testament apostolic pattern by teaching and encouraging believers to be baptized in the Holy Spirit. This experience:

- (a) Enables them to evangelize in the power of the Spirit with accompanying supernatural signs (Mark 16:15-20; Acts 4:29-31; Hebrews 2:3, 4).
- (b) Adds a necessary dimension to a worshipful relationship with God (1 Corinthians 2:10-16; 1 Corinthians 12, 13, 14).
- (c) Enables them to respond to the full working of the Holy Spirit in expression of fruit and gifts and ministries as in New Testament times for the edifying of the body of Christ (Galatians 5:22-26; 1 Corinthians 14:12; Ephesians 4:11, 12; 1 Corinthians 12:28; Colossians 1:29).

11. The Ministry

A divinely called and scripturally ordained ministry has been provided by our Lord for the threefold purpose of leading the Church in the following: (1) evangelization of the world (Mark 16:15-20), (2) worship of God (John 4:23, 24), and (3) building a body of saints being perfected in the image of His Son (Ephesians 4:11-16).

12. Divine Healing

Divine healing is an integral part of the gospel. Deliverance from sickness is provided for in the Atonement and is the privilege of all believers (Isaiah 53:4, 5; Matt. 8:16, 17; James 5:14-16).

13. The Blessed Hope

The resurrection of those who have fallen asleep in Christ and their translation together with those who are alive and remain unto the coming of the Lord is the imminent and blessed hope of the Church (1 Thess. 4:16, 17; Romans 8:23; Titus 2:13; 1 Cor. 15:51, 52).

SCDC BYLAWS

14. The Millennial Reign of Christ

The second coming of Christ includes the rapture of the saints, which is our blessed hope, followed by the visible return of Christ with His saints to reign on the earth for one thousand years (Zech. 14:5; Matt. 24:27, 30; Revelation 1:7; 19:11-14; 20:1-6). This millennial reign will bring the salvation of national Israel (Ezekiel 37:21, 22; Zephaniah 3:19, 20; Romans 11:26, 27) and the establishment of universal peace (Isaiah 11:6-9; Psalm 72:3-8; Micah 4:3, 4).

15. The Final Judgment

There will be a final judgment in which the wicked dead will be raised and judged according to their works. Whosoever is not found written in the Book of Life, together with the devil and his angels, the beast and the false prophet, will be consigned to everlasting punishment in the lake which burneth with fire and brimstone, which is the second death (Matt. 25:46; Mark 9:43-48; Revelation 19:20; 20:11-15; 21:8).

16. The New Heavens and the New Earth

"We, according to His promise, look for new heavens and a new earth, wherein dwelleth righteousness" (2 Peter 3:13; Revelation 21, 22).

- (8) The committee may decline to forward a resolution to the Annual District Council if upon a two-thirds vote of the committee members present and voting it is found that the proposed resolution is essentially a duplication of existing policy or is not appropriate when compared to the purposes and procedures contained in the Articles of Incorporation and Bylaws of the District and/or the General Council. If the committee determines that a resolution is inappropriate, it shall so advise the author and shall inform him of his right to present the proposed resolution to the Council for determination as to appropriateness.
- (9) The Executive Presbytery and/or the District Presbytery may forward resolution(s) to the Annual District Council directly without submitting them first to the Resolutions Committee, but only if the respective body specifically considers the necessity or desirability to bypass the committee process and votes affirmatively to forward the resolution directly to the Annual District Council. Possible reasons for bypassing the committee might be that in the preparation of the resolution, the respective body has already subjected the resolution to all of the processes the committee undertakes or that the resolution was prepared and approved by the respective body after the deadline for submission to the committee or after the deadline for mailing by the Secretary as provided below.
- (10) In addition to its duties in regard to resolutions which are referred to it and which usually relate to policy matters, the Resolutions Committee shall draft and present to the Annual District Council any courtesy resolutions which they deem appropriate. (Ordinarily courtesy resolutions express the appreciation of the District Council to a person or persons who have made unique contributions to the work of the District Council or served the needs of the delegates or the Council in arranging or providing the program or accommodations or otherwise). Courtesy resolutions need not be forwarded in the usual manner but may be given directly to the chairman of the Annual District Council at any time.
- (11) Resolutions processed by the committee shall be forwarded to the Corporate Secretary for mailing, by the Corporate Secretary, to the membership not later than 15 days prior to the District Council.

ARTICLE XV. THE MINISTRY

Section 1. Ministry Described

Christ's gifts to the Church include apostles, prophets, evangelists, pastors, and teachers (Ephesians 4:11), exhorters, administrators, leaders, and helpers (Romans 12:7,8).

In terms of maturity of ministry, three classifications of ministry are recognized, viz, the ordained minister, the licensed minister, and the certified minister.

Ministers holding certificates of ordination, licensure, specialized ministries licensure, and certificates of ministry are authorized to perform the ordinances and ceremonies (sacerdotal functions) of the church.

Section 2. Basic Qualifications

The following qualifications pertain to all applicants for ministerial recognition:

A. Salvation. Testimony to having experienced the new birth (John 3:5).

SCDC BYLAWS

- B. Baptism in the Holy Spirit. Testimony to having received the baptism in the Holy Spirit with the initial physical evidence of speaking in other tongues according to Acts 2:4. The Spirit-filled life will enable him to fulfill the threefold mission of the church (Preamble to these bylaws).
- C. Evidence of call. Clear evidence of a divine call to the ministry, evidenced by a personal conviction, confirmed by the work of the Spirit and the testimony of fellow ministers.
- D. Christian character. A blameless Christian life and a good report of those who are without (Titus 1:7; 1 Timothy 3:7).
- E. Doctrinal position. A thorough understanding of and agreement with our doctrinal position as contained in the Statement of Fundamental Truths.
- F. Assemblies of God polity. A satisfactory working knowledge of the principles, practices, and purposes of the Fellowship through a study of the General Council and District Council Constitution and Bylaws.
- G. Commitment to the Fellowship. An active loyalty to our General Council and District Council constitutional and bylaw agreements, a cooperative spirit, and a readiness to seek and receive the counsel of older brethren and those in positions of authority.
- H. Basic educational requirements. Any level of formal academic achievement (diploma or degree) shall not be a requirement for credentials; however, credential applicants shall meet the following criteria:
 - (1) All applicants are required to be interviewed by the District Credentials Committee and, in preparation for the interview, pass a standard exam approved by the General Presbytery whereby they demonstrate knowledge of the Bible, Assemblies of God doctrines, and ministerial practices; and either
 - (2) Successfully complete equivalent training to that indicated in paragraph (3) below, preferably, in an endorsed Assemblies of God postsecondary school; or in a seminary, college, Bible college, or school approved by the District Credentials Committee consistent with criteria established by the General Council Credentials Committee; or
 - (3) Successfully complete courses, prescribed by the General Presbytery, offered in correspondence through Global University of the Assemblies of God, or pass the final examinations in the prescribed courses; or
 - (4) Be recommended by the District Council Credentials Committee as qualifying for credentials through self-study and ministerial experience. Such candidates must have a proven and fruitful ministry of substantial duration.
- I. Marital status. We disapprove of any married persons holding ministerial credentials with the Southern California District [Assemblies of God] if either marriage partner has a former spouse living, unless the divorce occurred prior to his or her conversion or for the scriptural causes of a former spouse's marital unfaithfulness (Matthew 19:9), or the abandonment of the believer by the unbeliever (1 Corinthians 7:10-15), except as hereinafter provided.

SCDC BYLAWS

- J. Annulments, marriage dissolutions, and divorces. The Executive Presbytery of the General Council shall have the authority to determine whether an applicant's annulment of a former marriage is consistent with the scriptural position of the Fellowship relating to the granting or holding of ministerial credentials; or, in the case of a divorce or a dissolution whether the circumstances would more appropriately be classified as calling for an annulment; or if the divorce occurred prior to conversion. In those cases involving preconversion divorce, they shall be decided on an individual basis just as those that deal with annulments are decided. The application for an annulment must be accompanied by clear and satisfactory evidence of an illegal marriage through deception or fraud. Appeals from the decisions of the Executive Presbytery of the General Council may be made to the General Presbytery of the General Council.
- K. Eligibility of women. The Scriptures plainly teach that divinely called and qualified women may also serve the church in the ministry of the Word (Joel 2:28; Acts 21:9, 1 Corinthians 11:5). Women who meet the qualifications for ministerial credentials are eligible for whatever grade of credentials their qualifications warrant and have the right to administer the ordinances of the church and are eligible to serve in all levels of church ministry, and/or district and General Council leadership.
- L. Ministers from other organizations. If a minister from another reputable body desires to affiliate with the Assemblies of God, the credentials committees of both the General Council and the District Council are under no obligation to accept the applicant's previous ministerial status, but will judge each candidate on his or her own merits as to the level of credentials to be granted. Such applicants shall be required to:
- (1) Conform to Assemblies of God criteria for recognition.
 - (2) Complete an application for ministerial recognition.
 - (3) Submit a letter of recommendation from a neighboring Assemblies of God minister and/or the sectional presbyter for the applicant's area.
 - (4) Submit a recommendation from the body with which the minister was formerly affiliated. If such is not available, letters of recommendation should be sought from three reputable ordained ministers who are familiar with the applicant's ministry, two of whom should be with the applicant's former credentialing body.
 - (5) Take the credential examination.
 - (6) Complete such courses as may be prescribed by the General Presbytery for ministers transferring from other credentialing bodies.
 - (7) Meet with the District Credentials Committee for an oral interview.
 - (8) Be recommended by the District Council Credentials Committee for action by the General Council Credentials Committee.
 - (9) All previously ordained ministers so approved shall receive recognition as an ordained Assemblies of God minister with the laying on of hands by the District Presbytery. All other applicants so approved shall receive the appropriate level of credential recognition.

SCDC BYLAWS

- (10) Ministers who receive Assemblies of God recognition shall relinquish their ministerial credentials with any other organization, unless an exception is granted by the General Council Credentials Committee upon recommendation of a district council credentials committee for a minister serving as a missionary in this country and who holds a credential with a member body of the World Assemblies of God Fellowship.
- M. Citizenship. Must either be a citizen of the United States or have a permanent residence status. Exceptions may be made at the discretion of the District Council Credentials Committee.
- N. Assemblies of God involvement and residence within District. To obtain a ministerial credential, a person shall indicate that they have been attending and are supporting with their tithes and offerings an Assemblies of God church on a regular basis for a minimum of six months and shall have been a resident within the District for a minimum of one year immediately prior to submitting their application for credentials. Exceptions may be made at the discretion of the District Council Credentials Committee.

Section 3. Specific Qualifications

- A. Residency requirements of applicants. Applicants for all credentials must be residents of or hold credentials in the Southern California District and appear before the District Council Credentials Committee.
- B. Certified Minister.
- (1) General requirements. They shall show promise of usefulness in the gospel work. They shall devote a part of their time to Christian ministry and, at the discretion of the District Credentials Committee, remain under the supervision of a pastor or a designated supervisor. They shall preach at least 12 times a year or be actively engaged in some other aspect of ministry except in case of ill health or advanced age.
- (2) Pastoral requirements. In the event a certified minister is serving in a position as the pastor, he shall be expected to advance to licensure within 2 years of acceptance of the pastorate. This shall not apply to any minister who has reached the age of 65 or older, or whose certificate has been issued on a provisional basis. Any exception shall be at the discretion of the District Credentials Committee.
- (3) Exception for provisional issuance. A Certificate of Ministry may be issued on a provisional basis to a person who has not met all the credentialing requirements but who is deemed by the District Credentials Committee to be essential to the continuity of a church or a ministry outreach for which a duly credentialed and qualified minister is unavailable. The reason for such a provisional issuance must be ministry driven, and the justification for its use is terminated when the minister ceases to be involved in the ministry for which it was initially granted unless he accepts another qualifying assignment. Other limitations are:
- (a) The ministry certificate on a provisional basis will be issued for 1 year and shall not be renewed more than two times.

SCDC BYLAWS

- (b) A person who has been granted the Certificate of Ministry on a provisional basis must meet the qualifications for a ministry certificate within a 3 year period.

C. Certificate of Licensure. Qualifications for licensure shall be in two categories:

- (1) Preaching ministry. Clear evidence of a divine call, a practical experience in preaching, together with an evident purpose to devote one's time to preaching the gospel. They shall preach at least 15 times a year, except in case of ill health or infirmity. The District Council Credentials Committee maintains the right to re-evaluate annually such ministry and to determine if there is sufficient initiative to justify the holding of a license with the Southern California District Council. Ministerial students with sufficient Bible units may be eligible for a certificate of licensure in the final term of his/her senior year, providing he/she is actively involved in the ministry. Since granting of credentials is at the discretion of the District Council Credentials Committee, this shall not be construed to be a routine granting of a license.
- (2) Specialized ministry. An evident purpose to devote one's time to a specialized ministry such as Christian education, music, church-related ministry by a minister's spouse, or other full-time (at least 30 hours per week) ministries. The same qualifications as outlined in Section 2 of this article shall apply.

D. Ordained minister. Qualifications for ordination are outlined in the New Testament Scriptures (1 Timothy 3:1-7; Titus 7-9). In addition:

- (1) Applicants must be 23 years of age or older.
- (2) They must have met all the requirements in making application and in completing the prescribed application form.
- (3) No person may be ordained to the ministry until he shall have held a certificate of licensure and shall have been engaged in active work as a pastor, evangelist, or some other recognized and approved full-time preaching ministry for at least 2 full consecutive years immediately prior thereto.
- (4) Residency requirements of applicants. Applicants must be residents of or hold credentials in the Southern California District Council when they make application and appear before the District Council Credentials Committee. The District Council does not approve any applicant for ordination who may have been licensed in another district until such licensed minister shall have been a member of the Southern California District Council for at least 1 year. If the applicant has not been a member of the Southern California District Council for 2 full consecutive years, he must meet the requirements and secure the endorsement of the officary of the district in which he was previously licensed, as well as the Southern California District Council Executive Officers.
- (5) Exceptions to requirements. The General Council Credentials Committee, upon request by a district credentials committee and where exceptional circumstances exist, may waive the requirements for an applicant holding a certificate of licensure for 2 (two) full consecutive years or being a member of the district in which he is seeking ordination for at least one year.

SCDC BYLAWS

- (6) In order to maintain active status, ordained ministers must preach at least 15 times each year.

Section 4. Procedural Qualifications

A. Study course. The Executive Presbytery shall approve the number and names of the Berean College courses needed for each credential level. The Executive Presbytery may prepare and approve an alternative study course for all candidates for ministerial credentials, it being understood that such a study course would necessitate the applicant's passing a standard examination authorized by the General Council General Presbytery. Candidates who have had less than 24 units (6 units per semester for four semesters) of Bible or Bible-related subjects in a Bible-related institute or college recognized by the Assemblies of God shall be required to take the study course with Berean College (or, if available, the alternative course approved by the District Executive Presbytery) for the credential for which they are applying.

B. Examination. The District Executive Presbytery shall provide an examination, with due regard to doctrine, Bible interpretation, Christian ethics, etc., and said examination shall be given to all candidates for ministerial credentials.

Said examination shall be in writing on a preassigned date preceding the meeting of the Credentials Committee by at least two weeks. Candidates shall be permitted to use the Bible, concordance, and dictionary as reference books during the examination.

C. Examination reading. The District Executive Presbytery shall appoint a committee of qualified persons to read, correct and evaluate the answers written in the respective examinations given to the candidates for credentials. Such evaluations shall be provided to the respective Credentials Committee members along with the examination papers for the perusal of the said Committee members.

D. Full-time ministry defined. Full-time ministry for receiving and holding credentials shall be defined as follows:

- (1) Any person serving as pastor of a church, or
- (2) Any person other than a pastor, serving in ministry to a church at least 30 hours per week by appointment of the pastor and/or church board, receiving at least 60% of his income from the ministry (the church's ability to pay shall be considered), or
- (3) Any evangelist preaching a minimum of 15 times per year and/or being involved in preaching or teaching ministries at least 26 weeks of the year, or
- (4) Any person in full-time specialized ministries, such as Christian School Administrator, Assemblies of God College personnel, chaplaincy (such as military, penal, hospital), Minister of Christian Education, Minister of Youth, Minister of Music, Associate or Assistant Pastor, etc., and
- (5) Any person applying for ordination shall have preached a minimum of 15 times for two consecutive years prior to their application for ordination.

SCDC BYLAWS

- (2) Any person other than a pastor, serving in ministry to a church at least 20 hours per week by appointment of the pastor and/or church board, and who shall be receiving a salary in keeping with the amount of service given to the church (the church's ability to pay shall be considered), or
- (3) Any evangelist preaching a minimum of 15 times per year and/or being involved in preaching or teaching ministries at least 26 weeks of the year, or

Section 5. Application for Ministerial Recognition

A. Fees and residence requirements

- (1) All applications for certified minister, licensed minister, ordained minister and reinstatement, shall be accompanied by an application fee, which is not refundable.
- (2) Applicants shall maintain residence in the District for one year before they can receive credentials of any kind. However, if in the viewpoint of the Credential Committee unusual circumstances are involved, and if in the viewpoint of the Credentials Committee this requirement creates an undue hardship upon a candidate that may be ministering in one of our local churches, the Credentials Committee may waive this requirement for those applying for a credential.
- (3) All applicants for ministerial recognition shall obtain application forms from the Corporate Secretary.

B. Appearances before the District Leadership Team

In cases of emergency, the District Leadership Team, at their discretion, may invite a candidate to appear before the entire Credentials Committee.

- B. On the initiative of the District. (See General Council Bylaws Article X, A, Section 4)
 - (1) Inactive. When a minister becomes inactive for 2 consecutive years, according to the stipulations set forth in General Council Bylaws Article VII, Section 6,

SCDC BYLAWS

paragraph b and/or subsequent replacement or revision thereof, his name shall be published as inactive in the ministers letter.

- (2) Not renewed. If in the opinion of the credentials committees a minister's credentials should not be renewed short of disciplinary action, his name shall be published as not renewed in the ministers letter.
- C. As a result of affiliation with another church organization. In the event a minister shall identify himself with another organization granting ministerial credentials, and shall have received such credentials, his credentials with the General Council of the Assemblies of God shall be terminated. An investigation shall be made to determine the proper category of termination.
 - D. Surrender of credentials. In all cases the minister shall be requested to surrender his credential (Certificate of Ordination, Certificate of Licensure, Specialized Ministries Certificates of Licensure, Certificate of Ministry) and his current fellowship card to the District office. The District shall forward these to the office of the General Secretary of The General Council of the Assemblies of God. Refusal to surrender his credential and current fellowship card shall be considered insubordination and may result in placing a charge against the minister.

Section 10. Transfers

- A. All ministers who move into the District with the purpose of making this their headquarters or place of residence shall file with the Corporate Secretary/Treasurer a letter of transfer from the former district of which they were members.
- B. Ministers coming into this District and accepting pastorates shall immediately transfer their membership into this District. Evangelists and other ministers shall transfer their membership into the District within 90 days after establishing their residence here.

Section 11. Change of Address

All ministers shall keep the Corporate Secretary/Treasurer informed as to their whereabouts. When change of address is made, the Secretary/Treasurer should be notified of the change by mail. When a minister leaves the District, he shall inform the Secretary/Treasurer of such removal, giving a forwarding address where he may be reached when necessary. If the minister leaves the District for permanent ministry in some other district, a letter of transfer should be obtained for presentation to the Secretary of the new district.

Section 12. Resigning and Incoming Ministers

- A. Resignation Defined.
 - (1) Pastor. A pastor shall be deemed to have resigned from a church when the following occurs:
 - (a) He gives his resignation verbally or in writing to the church board, and/or to the church at any worship service or business meeting, and/or to the District Superintendent; or
 - (b) He is not reelected to his office in accordance with the requirements given for reelection in the local church bylaws; or

SCDC BYLAWS

- (c) He is removed from his office through a process provided for in the local church bylaws and/or through a disciplinary action of the District and/or General Council Credentials Committee.
 - (2) Ministerial Staff. A ministerial staff member shall be deemed to have resigned from a church when the following occurs:
 - (a) He gives his resignation verbally or in writing to the pastor and/or church board; or
 - (b) His resignation is requested by the pastor and/or church board; or
 - (c) The senior pastor resigns (thus giving the incoming pastor freedom in selecting a staff of his choosing whom he is sure will cooperate with his program).
- B. Resigning Pastor's Responsibilities.
- (1) He shall notify the District Superintendent, verbally or in writing, prior to his resignation or at least within 48 hours following his resignation. The District Superintendent shall inform the Sectional Presbyter of a pastor's resignation.
 - (2) He shall provide the District Superintendent, within five days, with the following:
 - (a) A current list of the church board and its officers and how to contact each board member.
 - (b) A current list of the church membership.
 - (c) A current copy of the church constitution and/or bylaws.
 - (3) He shall not participate in the nomination or selection of an interim pastor or permanent successor unless consent is obtained from the District Superintendent.
 - (4) He shall not delegate the pastoral care or preaching responsibilities to any person who is not a credentialed Assemblies of God minister.
 - (5) He shall inform the church board and the assembly that the appropriate procedure for securing qualified candidates for the office of pastor is for the board to consult with the District Superintendent for his assistance.
 - (6) He shall inform the church board and the assembly that these bylaws require that no amendments may be made to the assembly's articles of incorporation, constitution and/or bylaws, nor any resolutions adopted, that will in any way give the resigning pastor a continuing influence or authority, stated or implied, over the assembly.
 - (7) He and his spouse shall sever all normal pastoral relations with the assembly following his resignation. He shall not write to, or otherwise communicate with, any member of the congregation without the express knowledge and consent of the succeeding pastor. He shall make it clear to the congregation that he will not be available for pastoral counsel and/or advice in the future. It is recommended, where feasible, that the retiring pastor move from the general area of the assembly. In abiding by such principles of courtesy and respect, the teaching of the Lord ("The Golden Rule") is kept: "as ye would that men should do unto you, do ye even so unto them." In this manner, the resigning pastor will avoid unnecessary strife, unrest, and confusion in the church that grieves the Holy Spirit.

SCDC BYLAWS

- (8) In the event a pastor serving a member church in the Southern California District feels the congregation cannot continue to operate for any reason, before disbanding the church he shall confer with his Sectional Presbyter who shall make an investigation and report his findings to the District Superintendent. Should the Superintendent deem it advisable to disband the church, he shall counsel with and provide direction to the Presbyter, pastor, and church board in the disposition of any funds, furnishings and/or property. Any funds remaining after all accounts are settled shall be transferred to the District Home Missions Department.

C. Resigning Ministerial Staff Member's Responsibilities

- (1) He shall notify the District Superintendent and Sectional Presbyter of his resignation.
- (2) He and his spouse shall sever all relations with the church as provided in (7) above.

D. Incoming Pastor and Ministerial Staff Member. A minister assuming the responsibilities of pastor or ministerial staff member shall treat his predecessor with the same respect which he would expect his predecessor to show him, remembering that the "Golden Rule" applies to the succeeding minister as well as the predecessor.

The above provisions are formulated with the objective of preserving the harmony and growth of the assembly and of allowing the incoming minister the unhindered opportunity for full ministry, as well as protecting the resigning minister from embarrassment.

Section 13. Ministerial Ethics, Integrity, Loyalty

A. Ministerial Ethics, Courtesy and Integrity

- (1) All ministers of the Assemblies of God shall be courteous in their conduct, endeavoring by every means possible to strengthen the hand of their fellow pastors in their Assemblies. Any kind of communication with an Assembly shall be through the pastor, or if there is no pastor, through the responsible lay officers in order to maintain harmony in the church's life. Cooperation for the sake of Christian unity in the Assembly shall be the practice watchword.
- (2) Since all Assemblies are entitled to counsel from the District Superintendent when in need of advice, ministers should encourage laymen to contact him for such and to disengage themselves from anything that could conceivably destroy the peace and harmony of the church should unauthorized counsel be indulged.
- (3) Whenever there seems to be a matter of justifiable complaint against the pastor of an Assembly, ministers contacted with regard to the same should instruct complainants to contact the District Superintendent who shall inquire further into the matter and then, if necessary, institute a more thorough investigation. The pastor involved shall be apprised of the complaint and asked to give his cooperation to a solution of the problem.

SCDC BYLAWS

- (4) Care shall be taken so as not to destroy or to debase through groundless complaints a pastor's proper authority as the Biblical and constitutional leader of the church, nor to cause a division in the Assembly.
 - (5) Ministers, former pastors, as well as others, must remember that first, foremost, and at all times they are fellow servants of the living God. "And whatsoever ye do in word or deed, do all in the name of the Lord Jesus, giving thanks to God and the Father by Him." (Colossians 3:17)
- B. Ministerial Integrity. All charges made against a fellow minister must be in writing and signed by the person making them. The person making the charges shall be required to face the individual charged, if requested to do so.
- C. Ministerial Loyalty
- (1) All ministers of the Assemblies of God, active, inactive and/or retired are expected to support the local Assemblies of God in the communities in which they reside.
 - (2) All Assemblies of God ministers shall refrain from derogatory remarks regarding the Assemblies of God Fellowship. Constructive criticism should be directed to those in a position to make changes or on the District Council floor.

Section 14. Ministry in a Non-Assemblies Church or Organization

Ministers shall not be limited or restrained from entering open doors to preach this Pentecostal message, so long as they retain Assemblies of God doctrine, standards of holiness, proper attitudes, and proper ministerial conduct without compromise. Recognizing the importance of respecting the principles of Christian cooperation in all our pastoral, evangelistic, missionary and local church work, it is recommended that our ministers confer with the Sectional Presbyter in the area of the anticipated ministry before engaging in either temporary or on-going ministry in any church group or organization not affiliated with the Assemblies of God, so as to ascertain whether such ministry might result in confusion or misunderstanding or injury to the Assemblies of God fellowship.

Section 15. Transfer of Membership

It is strongly recommended that pastors urge members of Assemblies of God churches transferring from one church to another to go through the normal transfer procedure requesting a letter of transfer thus eliminating dual membership.

Whenever a pastor has good faith belief that a member leaving his church, going to another member church (whether requesting a formal transfer or not), has been participating in illegal activities, sexual immorality, or business practices or lifestyle behavior not in keeping with Assemblies of God understanding of Scriptural teaching, the pastor of the church which the member is leaving shall so inform the pastor of the member church to which the church member is going.

Pastors shall exercise great care not to encourage members of other churches to leave their present place of service.

SCDC BYLAWS

Care should be used to avoid accepting members into another church who have a reputation as troublemakers in other Assemblies.

Section 16. Ministers in Local Assemblies

It is advisable that no credentialed minister may accept the office on any official church board without the express written permission of the senior pastor, except in his executive capacity as the pastor of the church.

Section 17. Inactive Ministry Described

- A. Any minister holding ordination or license who does not preach at least 15 times during the course of the year shall be considered inactive with the following exceptions:
- (1) Those who have engaged in other aspects of full-time ministry.
 - (2) Those who have had 15 or more years of approved service as ordained ministers of the Assemblies of God and who shall have reached the age of 60 years.
 - (3) Those who have had 25 years of approved service as ordained ministers of the Assemblies of God regardless of age.
 - (4) Those whose inactivity has been caused by the infirmity of old age or ill health.
 - (5) General Council missionaries on furlough.
- B. If an ordained minister shall be inactive for two consecutive years, the Presbytery Board shall certify his name as inactive to the General Council Secretary with the request that his fellowship certificate not be renewed until he again becomes active.
- C. If a licensed minister is inactive two consecutive years, the Corporate Secretary shall present his name to the Credentials Committee with the recommendation that his fellowship certificate shall not be renewed until he again becomes active.
- D. Anyone holding a certified minister's credential who does not have the approval of the local church board, certified by the pastor, verifying his or her progress toward a full-time ministry, shall be deemed inactive. If any certified minister is inactive for two consecutive years, his or her credential shall not be renewed. (See Article XV, Section 3, B, (1))
- E. All ministers who shall withdraw from the active ministry or who cease to engage in either pastoral or evangelistic work for a period of one year or more shall be expected to notify the office of the General Secretary, who shall be authorized to remove the names of such persons and place them upon an inactive list. Ministers who preach less than 15 times per year shall have their names placed upon the inactive list for one year. If such inactivity shall continue for a second year, they shall be removed from the ministerial fellowship. It shall be understood that this shall not apply to those engaged in other aspects of full-time ministry, nor to inactivity caused by the infirmity of old age or ill health. Should the minister at any time return to active ministry, his or her name may be restored to the active list upon

SCDC BYLAWS

application bearing the endorsement of the District Officiary. (See General Council Bylaws.)

Section 18. Senior Ministers

In respect and honor to those ministers who have given years of service to the Fellowship, senior status shall automatically be given to all credential holders who have reached the age of 65, whether they continue in full-time ministry or not.

A. Terminology

- (1) The term "SENIOR, Active" shall be used for credential holders who continue to serve three-quarters to full time in the ministry.
- (2) The term "SENIOR, Semiretired" shall be used for credential holders who continue to be active, but for half time or less.
- (3) The term "SENIOR, Retired" shall be used for those who have ceased to engage in any regular appointed ministry.

B. Application for Recognition as Being "SENIOR, Semiretired" or "SENIOR, Retired"

"SENIOR, Semiretired" and "SENIOR, Retired" status shall be granted only to those ministers who have filed a request for such status with the District Office; the Corporate Secretary shall forward to the General Secretary a list of those ministers who have made these requests.

C. Guidelines

- (1) Reports. "SENIOR, Active" and "SENIOR, Semiretired" ministers shall continue to file their annual reports and pay the General Council portion of their tithes in the regular manner, and the District according to District Bylaws. "SENIOR, Retired" ministers shall file an abbreviated report to maintain a correct address file for mail and insurance purposes.
- (2) Sources of income. These designations and guidelines shall apply regardless of whether the senior minister's income is from his ministry, from retirement plans or Social Security payments, or from investments or other employment.
- (3) Designations in publications. No distinguishing mark shall accompany the listing of "SENIOR, Active" in the official publications of the District but may be listed in the working lists used for insurance and retirement purposes. SCDC BYLAWS

- (5) District Support. "SENIOR, Active," "SENIOR, Semiretired" and "SENIOR, Retired" ministers shall contribute according to Article XXI, Section 5, A, (8) and (9) of these Bylaws.

The accountant's office of Vanguard University of Southern California shall furnish the Corporate Secretary/Treasurer's office with a list of all students or former students who have delinquent accounts with the college after the approval of the list by the college Administrative Council, and at least 15 days prior to the convening of the Credentials Committee. The Corporate Secretary/Treasurer shall share this information with the Credentials Committee.
- B. Any student or former student of Vanguard University of Southern California who has an unsatisfactory financial standing at said college shall not be granted credentials until his standing is certified as satisfactory.

Section 21. General Council Bylaws Article VII

Additional provisions related to this Article (The Ministry) are provided for in General Council Bylaws Article VII and/or subsequent replacement or revision thereof. Ministers within this District are bound to the provisions of this General Council Bylaws on any matter on which the provisions of this District Bylaws Article are either silent or in conflict with the General Council Bylaws.

ARTICLE XVI. DISCIPLINE OF MINISTERS

The discipline of ministers who are members of this District Council shall be conducted according to the provisions given in the General Council Bylaws Article X (Discipline) and/or subsequent replacement or revision thereof.

SCDC BYLAWS

Section 2. Waiver of Claim

Notwithstanding the provisions herein before contained, credentials issued by the General Council of the Assemblies of God shall be issued on the condition and the understanding of the minister that suspension of the minister, withdrawal of the credential, and/or any other disciplinary action taken against the minister by the District or General Council shall be final and shall not give the disciplined minister cause for legal action (redress from any civil court) against the District or General Council. Each minister by acceptance of the credential certificate and these bylaws absolutely and unconditionally waives any right to bring a cause of action in any civil court against the District or General Council, or any member or officer thereof, in connection with the suspension, withdrawal of the credential and/or any other disciplinary action taken.

Section 3. Arbitration of Legal Claims

Any controversy or claim between any minister and the District Council, or any member or officer thereof, for which a minister may have a cause for legal action (redress from any civil court) shall be settled through binding arbitration by a panel of three arbitrators: one to be selected by the minister, one to be selected by the District Council (or any member or officer thereof against whom such claim is brought), and one to be selected by the two previously selected arbitrators. Each arbitrator shall be selected from the panel of arbitrators elected in accordance with Article XII, Section 5 of these Bylaws. Such arbitration shall proceed in accordance with Title 9 of the California Code of Civil Procedure or any successor statute.

Section 6. The General Council Affiliated Church

- A. Distinctives. The General Council affiliated church shall be a member church regarded, within the limits of these bylaws, as self-propagating, self-supporting, and self-governing. It may hold property in its name, govern itself by articles of governance consistent with the requirements of these bylaws and the General Council Constitution and Bylaws, elect its own pastor and officers, and engage in any ministry or activity consistent with its own bylaws, its association with the Assemblies of God, and the law. The following is essential for maintaining the good order and nature of congregational church government characteristic to the Assemblies of God.
 - (1) The Office of Pastor.
 - (a) The pastor, under Jesus Christ, is recognized as the head of the church. He is responsible both to the District Fellowship and to the church which he serves, and as long as he conforms to Scriptural order and complies with the Articles of Incorporation, Constitution and/or Bylaws of the local church, he shall be respected in his office. In case of any difference between the pastor and his assistants, the Bylaws shall govern, and the District Presbytery shall be the highest court of appeal.
 - (b) The pastor may, at his discretion, ask for a confidential vote of the members of the church he serves. The vote is "confidential" and is designed to allow the pastor to know the feeling of his people; therefore, the result is not to be shared with the congregation unless the pastor chooses to do so. In the event the pastor does request a confidential vote, he may notify the District Superintendent, informing him of the results of said vote.
 - (2) Church Boards.

In a General Council affiliated church, there shall be a board consisting of qualified lay leadership elected by the voting membership. The board shall fulfill its spiritual and temporal duties in a spirit of servanthood to the Lord, the church, and pastoral leadership. Neither the pastor nor the board are to exercise dictatorial leadership over one another or the church; but shall cooperatively work together as a model of Christian unity and leadership, each submitting to one another as the Spirit, need, or circumstance may require. When disunity becomes present between a pastor and board, it shall be the

SCDC BYLAWS

responsibility of each to attempt to solve the difficulty between them; if failing to do so, it shall be the responsibility of each to seek the mediating efforts of the District Superintendent or his designee in order that the conflict may not be carried into the church, but resolved within the circle of leadership.

(3) Articles of Governance.

It shall be the privilege of each General Council affiliated church to adopt its own Articles of Incorporation, Constitution and/or Bylaws provided that the same are in accordance with these Bylaws and national, state, and local law. Members of a local Assembly shall be informed of the provisions of the church's Articles of Incorporation, Constitution and/or Bylaws. The pastor shall distribute or cause to be distributed copies of the aforementioned articles of governance and teach the church members concerning their use and the rights and privileges of membership.

B. Procedures for affiliation. General Council affiliated churches shall consist of the following:

- (1) All those member churches shown as General Council affiliated in the records of the Corporate Secretary on December 31, 1988, and
- (2) All those churches who thereafter fulfill the procedure for affiliation given in the General Council Bylaws, Article VI, Section 1 or its successor provision and these bylaws and whose Articles of Incorporation, Constitution and/or Bylaws are approved by the Executive Presbytery.

C. Change in Status. The Executive Presbytery shall have the power to change the status of a member church from General Council affiliated to District Council affiliated in any of the following circumstances.

(1) Active Membership Less Than 20.

Whenever a General Council affiliated church has fallen below 20 active adult voting members exclusive of the pastor and spouse, the Executive Presbytery shall declare it to be a District affiliated church; the pastor and church shall be so notified in writing by the District Superintendent; or at its discretion, the Executive Presbytery may authorize that an examination be made of the membership roster of a General Council affiliated church to determine the names and true number of its members. The Executive Presbytery is authorized to request that the pastor and/or secretary provide the name and address of each voting member of the church. The Executive Presbytery may request by mail that each member attest to or certify their membership. Failure of the pastor and/or secretary to provide such a list within two weeks upon the request of the Executive Presbytery may be interpreted by the Executive Presbytery as evidence the church has less than 20 members. No new members may be added to the membership roster once the Executive Presbytery has notified the pastor and/or the church that an examination of the membership roster is to be made. If the Executive Presbytery determines that the number of voting members is less than 20, it shall declare the church to be a District affiliated church. The church may appeal such a decision to the District Presbytery whose decision shall be final. Such a church may again become a General Council affiliated assembly at whatever time it meets the criteria for General Council affiliation given in these Bylaws, Article XVII, Section 7, B.

SCDC BYLAWS

(2) Request by the Church for District Affiliation.

The active voting members of a General Council affiliated church, for any reason, may elect by a majority vote of a quorum at a duly called meeting to place the church into District affiliated status. The meeting in which a vote shall be held may be called by either of the following: (1) provision of the church's own bylaws, or (2) the District Superintendent may call such a meeting upon written request of at least 20% of the voting membership. The District Superintendent or his designee shall preside at said membership meeting. When a General Council church appeals for District assistance either by its pastor, official board, or at least 20% of the voting membership, no names shall be added or removed from the membership roll of said church from the date of the letter or petition of appeal to the District Superintendent until the matter is adequately resolved and the decision approved by the Executive Presbytery.

(3) District Superintendent Intervention.

If a situation is such that it requires more immediate action, the District Superintendent, after conference with the District Leadership Team and with the approval of the Executive Presbytery, may declare the church in the hands of the District as a District affiliated church.

Section 7. The District Affiliated Church

The District affiliated church shall be under the direct oversight and governance of the District Council in a manner provided for in these bylaws. The title of property of District Council affiliated churches may be held in the corporate name of the Southern California District Council of the Assemblies of God.

A. Classification.

A District affiliated church shall be a church which falls within one of the following classifications:

(1) Pioneer. A pioneer church shall be a church less than three years in existence which has not received General Council affiliation.

(a) Process for Opening. A pioneer church may be opened through a church planting effort initiated by the District, in cooperation with the Section; or, through the initiative of a pioneering pastor and/or group, and/or a member church. Those desiring to initiate a pioneer church shall follow this procedure:

- (i) The initiator shall contact the Sectional Presbyter.
- (ii) The Sectional Presbyter shall contact his Sectional Leadership Team, who shall investigate the project, as to nature and personnel, attitude of neighboring pastors, financial obligations involved and the possibility of the new work succeeding. (If any member of the Sectional Leadership Team finds himself personally prejudiced, he shall disqualify himself.)
- (iii) The Sectional Leadership Team shall render a full report, in writing, to the District Leadership Team.
- (iv) The District Leadership Team shall consider all the facts and notify the proponent of the project of its approval, qualified approval, or disapproval.

SCDC BYLAWS

- (v) In case the proponent of the project is not satisfied with the decision, the entire matter shall be considered by the District Presbytery, whose decision shall be final.
- (b) Setting in Order. Upon approval of the District Leadership Team or the District Presbytery, the Pioneer church shall be set in order in the following manner.
 - (i) The Corporate Secretary shall file Articles of Incorporation for the pioneer church.
 - (ii) At the opening service of any church, a representative of the District shall be present and set said church in order as a District affiliated church of the Southern California District Council of the Assemblies of God. A letter of affiliation shall be presented the church at that time.
 - (iii) The pioneer church shall be governed by Articles of Incorporation and bylaws approved by the Executive Presbytery for all District affiliated churches.
 - (iv) A list of charter members of the new church, who have met the standards of membership as given in the local church bylaws, shall be furnished the District Office within twelve months following the beginning of the pioneer church.
 - (v) The pastor and church shall meet such additional requirements as may be determined by policy enacted by the Executive Presbytery.
- (2) Established. An established church shall be a church, existing more than three years, which has not received General Council affiliation.
- (3) Temporarily Dependent. A temporarily dependent church shall be a General Council affiliated church which has become a District affiliated church in accordance with the provision of this Article, Section 6, C. While the church is a District affiliated church, it shall be governed under Articles of Incorporation and bylaws approved by the Executive Presbytery for District affiliated churches, and such other guidelines and procedures as the Executive Presbytery may adopt.

B. Governance

The District Affiliated church shall be governed in accordance with these Bylaws, Articles of Incorporation and Bylaws approved by the Executive Presbytery for District Affiliated churches, and such other guidelines and requirements approved by the Executive Presbytery.

C. Process for becoming General Council Affiliated.

The District affiliated church, by a majority vote of its members, may request that the Executive Presbytery change its status to that of General Council affiliated. The Executive Presbytery may grant such a request provided that the church meets the following conditions:

- (1) A minimum of 20 voting members are required. (It is recommended that a church have a minimum of 25 voting members before requesting approval as a General Council affiliated church.)
- (2) A sufficient number of qualified individuals to serve on an official board.

SCDC BYLAWS

- (3) Approval of the District Leadership Team upon the recommendation of the Sectional Leadership Team and/or official church board.
- (4) The church shall adopt Articles of Incorporation, Constitution and/or Bylaws approved by the Executive Presbytery.
- (5) Approval of the membership by a vote at a business meeting presided over by the District Superintendent or his designee.

Section 8. Cooperative Churches

Cooperative churches shall consist of all those churches shown as cooperative churches in the records of the Corporate Secretary on December 31, 1988. A cooperative church may become a General Council affiliated member church by following the procedures given in Section 7, C, above.

Section 9. Church Mergers

Pastors of churches considering a merger shall consult first with the District Superintendent and Sectional Presbyter prior to presenting the matter to their church boards or congregations. Any church considering a merger with another church shall be required to call a meeting of its voting members to consider such a proposal. A two-thirds vote shall be required of each church to approve such a merger. Said business meeting shall be presided over by the District Superintendent or one whom he shall designate. Before a church merger can be completed, it must have the approval of the Executive Presbytery.

Section 10. Established Churches Relocating

Any church contemplating relocating shall seek a site that will not conflict with another member church in the same area, letting the spirit of love rule over a sense of expediency. Said church shall apply to the Sectional Leadership Team. The committee shall call a hearing as per the rules governing the hearing for opening a new church (Article XVII, Section 7, A (1) (a)). The Sectional Leadership Team shall render its decision and report to the District Superintendent. In the event that either the applicant or a neighboring church is displeased with the decision, they may appeal to the District Presbytery whose decision shall be final.

Section 11. New Assemblies Resulting From a Division

A. Meritorious groups.

When efforts to maintain unity and harmony in a member church have failed, and a division results in a new congregation being formed, the District should exercise strong and wise leadership in ascertaining the facts and seek to preserve Assemblies of God adherents for the Fellowship. Within the bounds of ethical principles, sound doctrine, and District policy, the Southern California District Council will seek to retain any meritorious group within the Assemblies of God.

B. Ministers Disciplined for Schism.

Circumstances of the occasion will determine whether a minister should be disciplined or denied ministry in either the original church or the dissident group or even residence in the area where the division occurred. If a minister is guilty of

SCDC BYLAWS

wrong conduct and wrong attitudes resulting in a split, the District Presbytery shall deal appropriately with him as provided in Article XV of these Bylaws.

C. Manual.

The District Superintendent and District Presbytery shall follow the guidelines of the Manual On Ministers and Church Divisions as adopted by the 36th General Council in session in Denver, Colorado.

D. Forfeiture of Credentials.

When a pastor has lost his credentials because of the circumstances involved in a group separating from a member church, any credentialed minister in the church electing to go with the dissident group, or subsequently joining the ministerial staff of that group, shall forfeit his credentials, unless an appeal is made to the District Presbytery and they decide on another course of action because of extenuating circumstances.

Section 12. Affiliation of Independent Churches

When an established non-member church in a section, being either an independent work or a member of another church organization, seeks affiliation with the Southern California District Council, the procedure followed shall be the same as that outlined in Article XVII, Section 7.

Section 13. Safeguarding the Assemblies

Pastors and leaders of member churches should make proper investigation regarding persons who seek to gain entrance to teach, minister, or pastor. Use of the platform should be denied until spiritual integrity and reliability have been determined. Since the use of non-Assemblies of God people may bring confusion and problems detrimental to the Fellowship, it is recommended that member churches use Assemblies of God people to minister. No dismissed minister may be allowed to pastor or have recognized ministry in an Assemblies of God church. Any church persisting in retaining a dismissed minister shall place its certificate of affiliation in jeopardy. The District Leadership Team shall maintain a reciprocal exchange of information relative to non-Assemblies of God persons and dismissed ministers seeking ministry in our member churches.

Section 14. Potential Conflicts in Governance

The District Council Articles of Incorporation and Bylaws shall take precedence over the Articles of Incorporation, Constitution and/or Bylaws of any member church. The District shall not usurp the authority properly vested in the local member church; however, whenever member church governance provisions are either silent on or in conflict with provisions made in the District Articles of Incorporation and/or Bylaws, the District provisions shall rule.

Section 15. Arbitration of Legal Claims

Any controversy or claim between any District Council member church, or cooperative church, or any member or officer, or any person claiming to be a member or officer of any such church and the District Council, for which either party may have a cause for legal action (redress from any civil court) shall be submitted to binding arbitration by a panel of three arbitrators: one to be selected by the member church, cooperative church, any member or officer, or any person claiming to be a member or officer of any

SCDC BYLAWS

such church; one to be selected by the District Council, or any member or officer thereof against whom such a claim is brought; and one to be selected by the two previously selected arbitrators. Each arbitrator shall be selected from the panel of arbitrators elected in accordance with the Article XII, Section 12 of these Bylaws. Such arbitration shall proceed in accordance with Title 9 of the California Code of Civil Procedure, or any successor statute.

ARTICLE XVIII. DOCTRINES AND PRACTICES DISAPPROVED

Section 1. Ecumenical Movement

While we recognize the benefits of mutual cooperation among different denominations, we are not in favor of the Ecumenical Movement whose purpose is not to unite all churches under the "Lordship of Christ," but to unite all churches at the expense of fundamental evangelical doctrine. We, therefore, disapprove of our ministers participating in any dialogue destined to promote such a union.

Section 2. Membership in Secret Orders

Because membership in lodges and other organizations which require secret oaths could cause division and mistrust as well as misunderstanding among brethren, it is recommended that we discourage membership of our ministers and members in such organizations.

Section 3. Abuses of Stewardship (See Article VII, Section 7, General Council Bylaws.)

A. Tithing

- (1) According to the Scriptures, tithes should be used for the support of the active ministry and for the propagation of the gospel and work of the Lord and not be given to charity or used for other purposes. In tithing, the ministers ought to be examples.
- (2) We recognize the duty of tithing and urge all our people to pay tithes to God. It is recommended that arrangements satisfactory to the pastor and the church be made by all pastors and churches, so that the pastor may receive regular and adequate support. We disapprove, however, of the teaching that all tithes necessarily belong to the pastor for his support.

B. Solicitation of Funds

- (1) It is considered improper and unethical for ministers or missionaries to solicit funds by letter or otherwise for anything or any reason whatsoever without proper authorization.
- (2) The purpose of this section is not to hinder or discourage legitimate projects but to protect the Fellowship from those who employ methods not in harmony with Assemblies of God principles or policies. Leaders in local projects shall have unquestioned freedom in local churches or communities. Projects of general interest to the district must have the authorization of the district officer. Projects or institutions of national scope must have the authorization of the Executive Presbytery of the General Council of the Assemblies of God.

SCDC BYLAWS

Promotion of all projects of a missionary character must have the authorization of the Executive Presbytery.

- (3) The obtaining and use of mailing lists for promotional purposes not having proper authorization or which are not in keeping with policies of the General Council of the Assemblies of God shall be considered improper and unethical, whether it be under the name of a prayer chain beyond the local scope, chain letters, or appeals to the constituency for the support of ventures of strictly local or personal character. All offenders guilty of the practices expressed in the foregoing paragraphs shall be subject to discipline.

C. Private Ownership of Religious Institutions

The Southern California District Council of the Assemblies of God approves the holding of title to all church buildings, schools, or other institutions that are supported by funds solicited for the work of God by properly constituted corporations. It disapproves the holding title to such properties by the ministers of the Assemblies of God, through private ownership, corporation of sole, closed corporation or any other type of ownership where initiative of action or final authority is not vested in a corporation of the whole. In the event a local congregation is not incorporated or set in order by the District Council, title should be vested in proper qualified trustees. Where private ownership exists, a properly incorporated body shall be formed and title to the property shall be transferred to the corporation taking into consideration equity that the title holder may legitimately have. A disregard of this principle and recommendation shall seriously affect the relation to the Assemblies of God members involved in such ownership.

Section 4. Divorce and Remarriage

A. Membership

- (1) There are now among Christian people those who became entangled in their marriage relations in their former lives of sin and who do not see how these matters can be adjusted. We recommend that these people be received into the membership of local assemblies and that their marriage complications be left in the hands of the Lord (1 Corinthians 7:17, 20, 24).
- (2) We recommend that in no case shall persons be accepted into membership who are known to be living in a common-law state of matrimony.

B. Remarriage

Low standards on marriage and divorce are very hurtful to individuals, to the family, and to the cause of Christ. Therefore, we discourage divorce by all lawful means and teaching. We positively disapprove of Christians getting divorces for any cause except fornication and adultery (Matthew 19:9). Where these exceptional circumstances exist or when a Christian has been divorced by an unbeliever, we recommend that the question of remarriage be resolved by the believer as he walks in the light of God's Word (1 Corinthians 7:15, 27, 28).

C. Local Church Leadership

- (1) It is recommended that divorced and remarried believers not serve in the church offices of bishop or elder and deacon unless the divorce occurred prior

SCDC BYLAWS

to conversion (Titus 1:5-9; 1 Timothy 3:12; 2 Corinthians 5:17) or for the scriptural causes of a former spouse's marital unfaithfulness (Matthew 19:9), or the abandonment of the believer by the unbeliever (1 Corinthians 7:10-15). We recommend that all other opportunities for Christian service for which divorced and remarried believers may be qualified be made available to them.

- (2) It is understood that recommendations are not binding, but local assemblies shall maintain the prerogative of setting their own standards (in accord with provisions of Article XI of the Constitution of the General Council).

D. Performing Marriage Ceremonies

- (1) Ministerial guidelines. We discourage any Assemblies of God minister performing a marriage ceremony for anyone who has been divorced and whose former spouse is still living, unless the case is included in the exceptional circumstances described in Paragraph B of this section.
- (2) Violation of conscience not required. We realize that the remarrying of such persons included in the exceptive circumstances in Article IX, B, Section 5, paragraph b, could violate the conscience of a minister; and if this should be the case, the minister should not be expected to perform such ceremonies.
- (3) Same-sex ceremonies. No minister shall perform any type of marriage, cohabitation, or covenant ceremony for persons who are of the same sex. Such a ceremony would endorse homosexuality which is a sin and strictly forbidden in God's Word (Leviticus 18:22; 20:13; Romans 1:26,27; 1 Corinthians 6:9; 1 Timothy 1:9-11). Any minister of our Fellowship who performs a ceremony for these types of disapproved relations, unless innocently deceived into doing so, shall be dismissed from the Fellowship.
- (4) Counsel. An Assemblies of God minister is urged to counsel applicants for marriage ceremonies with scriptural guidelines for Christian marriage prior to performing the ceremony. A minister may not perform ceremonies for persons who, in the minister's opinion, approach marriage without proper forethought, wisdom, and sobriety.

E. Ministerial Credentials

We disapprove of any married minister of the Assemblies of God holding credentials if either minister or spouse has a former spouse living unless the divorce occurred prior to conversion or for the scriptural causes of a former spouse's marital unfaithfulness (Matthew 19:9), or the abandonment of the believer by the unbeliever (1 Corinthians 7:10-15). (See Article XV, Section 2, J, and also Article VII, Section 2, paragraphs k. and l. of the General Council Bylaws.)

ARTICLE XIX. CHRISTIAN SERVICE FOUNDATION

For the purpose of the proper use and administration of certain funds incurring to the District through income of certain gifts of C.W. Carlstrom, and other funds and sources, this District Council authorizes the Executive Presbytery to take necessary steps to incorporate a foundation for the purpose of receiving and disbursing all funds that shall come into the District through said properties and other sources and the offices of directors of said corporation shall be of a relatively permanent nature and that the number and tenure of office of the said directors shall be determined by the Executive

SCDC BYLAWS

Presbytery in joint session with the entire Presbytery of the Southern California District. (Secretary's note: This was consummated October 1957 and incorporated under the name of Christian Service Foundation of the Assemblies of God.)

ARTICLE XX. MINISTRIES

- A. In order to obtain effective promotion and development of the work of the District Council in specific areas of concern, ministries shall be established by the District Presbytery to resource the local church and shall be amenable to the District Superintendent.

A minimum of ten percent (10%) of this fund shall be devoted to missions work. It shall be disbursed under the supervision of the Executive Presbytery.

These amounts shall be forwarded to the District Treasurer monthly and shall be disbursed under the supervision of the Executive Presbytery.

SCDC BYLAWS

Section 3. Special and Designated Funds

All funds designated for special projects shall be used only for those purposes.

Section 4. Ministers' Renewal Fees

There shall be an annual renewal fee for all ministers. This fee shall be set by and be disbursed under the supervision of the Executive Presbytery.

- (6) Each approved missionary, home and foreign, shall contribute a minimum of \$25.00 per month when on the field and \$50.00 per month when itinerating or home on furlough.
- (7) Where both husband and wife are credentialed ministers, the second member in the family shall contribute a minimum of \$25 per month except where both receive a salary in which case each would contribute 50% of their tithe or the minimum monthly contribution appropriate to their credential, whichever is greater.
- (8) Senior Ministers: All Active Senior Ministers are expected to contribute regularly to the support of the District as required of all other ministers.
- (9) Senior Semi-Retired and Senior Retired Ministers, upon reaching the age of 65, shall be expected to contribute either 50% of their tithe or \$25 per month.
- (10) All ministers under suspension and/or rehabilitation shall contribute to the support of the District and the General Council as required of all other ministers.

SCDC BYLAWS

- (11) The minister's minimum contribution shall be adjusted annually as per the average Consumer Price Index for any five counties with available data as chosen by the Executive Presbytery. The annual adjustment, rounded to the nearest dollar, shall be presented to the District Council for ratification. The change, when ratified, would become effective January 1 of each year. This annual adjustment would apply to Section 5, Subsection A, lines 1, 2, 3, 8, 10, & 11 (or as such numbers may be edited from time to time).
 - (12) A minister's tithe should be calculated on "income from all sources", i.e., salary, housing allowance or rental value of a parsonage including utilities, Social Security allowance, investment income and honoraria. The local church board shall establish the rental value of a parsonage, for tax and tithe purposes.
 - (13) No minister, regardless of the credential level or classification, shall ever be expected to contribute more than his/her tithe to the District.
 - (14) The income earned by a non-credentialed spouse shall not be included when determining the tithe due to the District.
- B. For those making the full contribution (tithes/dues) as noted in Section 5, A, (1), (2), or (3), ten percent (10%) of the amount received by the District shall be contributed to the Ministers Benefit Association, a retirement program of the General Council of the Assemblies of God. (This does not include those who participate in the return of the tithe to the District Affiliated Church Plan as noted in Paragraph C). These contributions shall inure to the benefit of the individual minister.

Deposits to the individual ministers' accounts will be made by the Executive Presbyters twice a year. In order for one to participate in the first deposit, they must be current with their minimum tithe support as of June 30. A second deposit will be made for those ministers who are current for the year as of December 31.

If a minister specifically requests, this 10 percent may be placed in a district reserve fund for the benefit of Southern California District Council ministers. These funds shall be distributed at the discretion of the Executive Presbytery.

- C. If the provision of Section 5, A, (1), (2), (3), presents a hardship for the church and the Pastor of the congregation, an application may be made to the Executive Presbytery, through the Sectional Leadership Team. The Executive Presbytery, at its discretion, may return a portion of this support to the church. Such exceptions shall be reviewed annually by the Executive Presbytery in consultation with the Sectional Leadership Team and/or the official church board.
- D. If the provision of Section 5, A, (1), (2), or (3) presents a hardship for a credentialed minister or ministers (when both husband and wife are credentialed) by exceeding the amount of his/her/or their tithe, as defined in Paragraph A, an appeal may be made to the Executive Presbytery, through the Corporate Secretary/Treasurer. The Secretary/Treasurer may require documentation of income when considering such an application. Upon the recommendation of the Secretary/Treasurer, the Executive Presbytery may agree to accept the entire tithe of the minister(s) as meeting the requirements of Section 5, Paragraph A. They shall make it clear that such lack of support may lead to loss of the ministerial credential. If the actions of the Executive Presbytery are ignored, or if said delinquency is not remedied by December 31 of the year, their annual fellowship certificates shall not be renewed until their cases are reviewed and decision has been rendered by the Executive Presbytery. Implementation of the foregoing shall be considered a mandate from the District Council in session to the District Leadership Team and the Executive Presbytery. DEFINITION OF VOLUNTARY COOPERATIVE FELLOWSHIP

The principle of voluntary cooperation upon which the General Council of the Assemblies of God is based, involves the following:

By "voluntary", it is meant that, upon learning the principles, doctrines and practices of the Assemblies of God, and by seeing the benefits one could derive from being

SCDC BYLAWS

associated with such an organization, a person of his own free choice decides to become a member, thus subscribing to all that for which the organization stands.

By "cooperation", it is meant that, to the best of his ability, one will comply with all decisions setting forth and defining duties and responsibilities incumbent upon members of the organization, and will respect the will of the majority expressed through democratic processes, as long as he remains a member.

Hence, "voluntary cooperation" means that one of his own free will decides to become a cooperating member of the Assemblies of God, this cooperation being obligatory and not optional.
