

STEPS TO PLANTING A CHURCH IN SOUTHERN CALIFORNIA

These steps may not be completed in the order presented, but should begin with meeting the SCDC Church Planting Director.

Meet with Church Planting Director for vision casting and engaging the process of planting a church in SoCal.

Bring an essay entitled “My vision for the church plant,” which will answer the questions; When, Where, How, Who, Why?

Bring your official Assemblies of God Credentials.

If you don't have them, you must engage the process by which you would get them.

Receive application for church planting

Receive and complete the background and references forms.

Begin building a team of prayer partners.

Engage the assessment process.

Background and references check.

Interview with Church Planting Assessment Team.

Interview with Church Planting Team.

Interview with Sectional Leadership Team.

Partner with a process coach who will be your advisor through the church planting application and organization process.

Attend the next possible Boot Camp. (They are exactly the same wherever they are.)

Funding may be available for this.

If not a Parent Affiliated Church Plant, receive assignment to a church planting coach who will walk with you through the planting process and for the first year or two of the church's life.

Complete the SoCal AG Church Planting application.

Finish requirements, approvals, and launch plan.

What can you expect from us?

Friendship

Coaching

Networking with other church planters

Support of the entire Church Planting team

Potential for funding

Ongoing educational opportunities

Access to resources normative to all other Assemblies of God churches.
