Amount enclosed for parking pass/es: \$ _____ Check # _____

Only those driving an over-sized van (not a mini-van) or a bus must purchase a parking pass in order to park in the lot reserved for our group. These types of vehicles are too large to fit in the Hotel/Convention Center parking. The parking pass will be given to the church at registration. A map to the reserved parking lot will be attached to the parking pass, which must be shown to the lot attendant before you will be allowed to park. You must also display the pass in your bus/van while it is parked in the lot. Lost parking passes will not be replaced.
