PASTOR MELVIN MARTINEZ, PHIL-AM CHURCH PLANTER IN BAKERSFIELD, CA.

Opportunities for Church Planters!

“And I tell you that you are Peter, and on this rock I will build my church, and the gates of hell will not overcome it”.

Pictured on this page are pastors of new church plants, as well as ethnic pastors coming into our fellowship. Above is pastor Daniel Kitheka from Kenya. His heart is to reach the Kenyan community near Corona, California. Pastor Renee Parish is providing her

church as a venue for worship and fellowship. Net-working and partnering are essential keys in new church plants. Praise the Lord for the openness of spirit and hospitality toward the whole body of Christ! Pictured below are 10-15 Indonesian pastors, seeking

credentials. The Lord is also bringing into our fellowship a number of Romanian pastors and churches. I am delighted to walk with all of these pastors through many of the processes. They make me a better servant of God.
