

## I am a Woman of God

I am a woman of God  
A woman of virtue, faith and love

I know that death and life are in the power of the tongue,  
So I speak life over my entire household

I love myself because I am fearfully and wonderfully made  
God's fingerprints are all over me  
I know that upgrades are nice, but not necessary

I will walk by faith and not by sight  
No weapon, which means...  
no man, no woman, no job or situation,  
That is formed against me shall prosper

God has chosen me  
I will make a positive impact on all those around me  
If I live according to the Word of God everyday  
I will live in peace, prosperity, joy, and emotional stability  
For the rest of my life.

I am a Woman of God!
