

Before the back-to-school blitz begins and life gets crazy again,
SoCal Women in Ministry invites you to.....

Breathe....

Be Centered, Refreshed, Transformed

*Caring for your soul
& paying attention
to what God is doing
in your life
is central to personal
& ministry growth*

A licensed minister and a certified Spiritual Director, Kristi has been with the National Network of Youth Ministries since 1993, where she currently serves in the area of Christian Formation. Her focus is on the soul-care of individuals thru reflective or silent retreats, spiritual direction for individuals & small groups, and other formational opportunities.
